That's your Gender!

An interactive workbook zine
thing by nenkaii

kai ruiz - 2024

Symbols & shit!!

NOTHING MATTERS ANYMORE so describe your gender via...

Shapes! stars, hearts, etc!

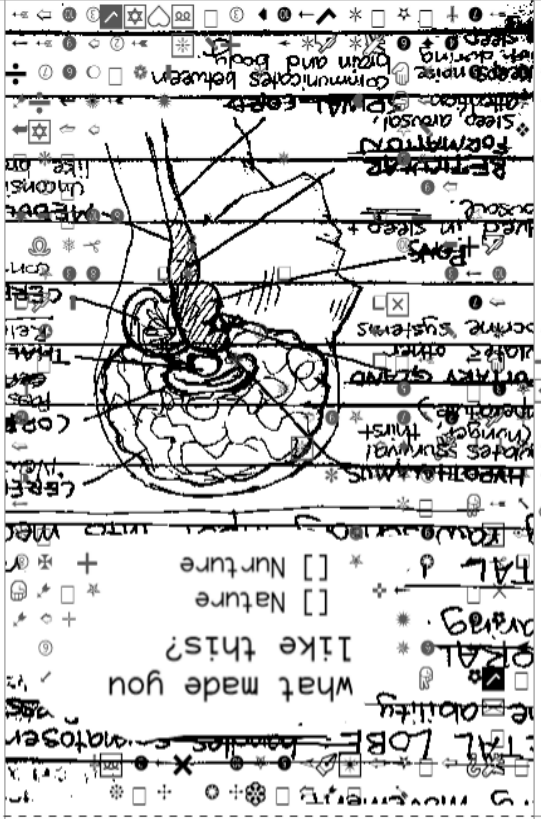
Colors! whats behind your eyes?

Things! clouds, fish, dirt, etc!

Songs! check your playlists! what speaks to you?

Emojis! personally i like the dice emoji

Vibes! idk



this COMPREHENSIVE and DEFINITIVE zine will help you sort out any questions or ideas you have about your gender identity!

use this to sort out your feelings, explain your gender to your loved ones or licensed medical professionals, or to make it to heaven idk

figure it out okay can you stop like making a big deal out of it you're making everything about yourself again oh my goooddddddddd

color it in, ignore my instructions, i don't care we're going to all die anyways

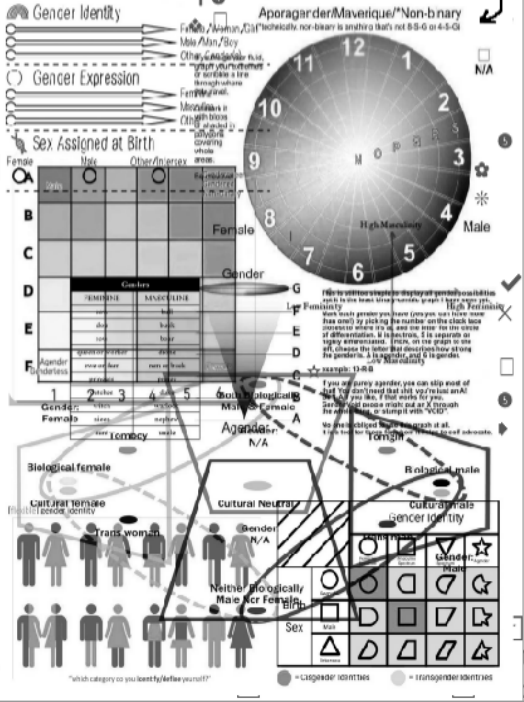
Draw yourself

draw yourself!

Chart your gender!

use these helpful graphs to helpfully describe your gender!



Your Vessel!

draw on this empty shell, make it your ideal body!

what do you wish your body was like? do you want tits or a flat chest? do you want a penis or a vagina? do you want tattoos? do you want a different face? different eyes?a tail? claws? fangs? metal limbs? clear plastic guts? are you primal, embracing your animallistic ideals? or are you perfected, pristine, replaced with synthetic materials? do it.

my insurance is trying to stop me from becoming my own god
